NALC Health Benefit Plan Specialty Drug List

PSHB

Specialty drugs may require preauthorization and may need to be obtained from CVS Specialty. Contact CVS Specialty toll-free at 1-800-237-2767 for Specialty Pharmacy service.

For Your Information: This is a summary of specialty medications for the NALC Health Benefit Plan. It does not guarantee coverage. Listed available medicines, this list may not be all inclusive and may change without notice. Dispensing Limits, Specialty Pharmacy dispensing and/or preauthorization requirements apply to all brand and generic equivalents listed below. Products distributed and therapies covered by CVS Caremark may change or expand from time to time. New-to-market products and new variations of products already in the marketplace will not be added to the formulary immediately. Each product will be evaluated for clinical appropriateness and cost effectiveness. This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Caremark.

Some medications may not be covered, or may be covered only under certain circumstances, regardless of their appearance on this document. For more information, please read the 2026 official Plan brochure, RI 71-024 (High Option, Consumer Driven Health Plan). All benefits are subject to the definitions, limitations, and exclusions set forth in the 2026 official Plan brochure.

Medications listed may be FDA (Food & Drug Administration) approved for more than one indication. Please check with your prescriber regarding specific questions for your indication.

Generic products are listed in lowercase *italics*.

Legend of symbols used in the chart below and on the following pages:

┼ Prior Approval, also referred to as Specialty Guideline Management (SGM), is required through CVS Caremark when using the prescription drug benefit. Please contact CVS Specialty at 1-800-237-2767. Select medications may only be approved for certain indications.

* Specialty medication must be obtained through CVS Specialty. Please contact CVS Specialty at 1-800-237-2767 or visit www.cvscaremarkspecialtyrx.com. Certain specialty medications may have Limited Distribution with restricted access and may not be available at CVS Specialty.

∞ Step Therapy for certain Advanced Control Specialty Formulary drugs is required, and the use of a specialty preferred drug must be completed before a non-preferred specialty drug will be authorized. ♦ Indications for certain Hepatitis C and Autoimmune drugs may require step therapy and the use of a specialty preferred drug must be completed before a non-preferred specialty drug will be authorized. Please contact CVS Specialty at 1-800-237-2767.

^ Please contact NALC Health Benefit Plan for PSHB High Option at 888-636-NALC (6252) and for PSHB CDHP at 855-511-1893 for prior authorization.
