NALC Health Benefit Plan CDHP and Value Option

Notice of Summary of Benefits and Coverage (SBC): Availability of Summary Health Information

The Federal Employees Health Benefits (FEHB) Program offers numerous health benefits plans and coverage options. Choosing a health plan and coverage option is an important decision. To help you make an informed choice, each FEHB plan makes available a Summary of Benefits and Coverage (SBC) about each of its health coverage options, online and in paper. The SBC summarizes important information in a standard format to help you compare plans and options.

This Plan's SBC's are available on the internet at: www.nalc.org/depart/hbp. A paper copy is also available, free of charge, by calling 1-855-511-1893 (a toll-free number).

To find our more information about plans available under the FEHB Program, including SBCs for other FEHB plans, please visit www.opm.gov/insure.

Notice of Patient Protection under the Affordable Care Act

NALC Health Benefit Plan CDHP/Value Option generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members as patients. For information on how to select a primary care provider, and a list of the participating care providers, contact Cigna at 1-855-511-1893 or visit our website at www.nalc.org/depart/hbp.

For children, you may designate a pediatrician as the primary care provider.

Brochure Download

The Office of Personnel Management (OPM) issued a "Going Green" mandate to all Federal Employees Health Benefit Plans instructing them to reduce their use of paper by providing an electronic version of the Plan's yearly brochure.

You may download the brochure from the Plan's website at www.nalc.org/depart/hbp. For your convenience, the brochure is also included on the enclosed CD. If you would like to receive a paper copy of our brochure, contact us at 1-888-636-NALC (6252).

This is a summary of some of the features of the NALC Health Benefit Plan CDHP and Value Option. Detailed information on the benefits for the 2014 NALC Health Benefit Plan CDHP and Value Option can be found in the official brochure. Before making a final decision, please read the Plan's officially approved brochure (RI 71-009). All benefits are subject to the definitions, limitations, and exclusions set forth in the official brochure.

Welcome

Today, more than ever, consumers want greater control over their health care budgets. Just as you make decisions about lifestyle choices—things like diet and exercise, you also want a say in how and when you spend your health care dollars.

The new 2014 NALC Health Benefit Plan Consumer Driven Health Plan (CDHP) and Value Option Plan, offer affordable yet comprehensive coverage. These progressive health plans are paired with a Personal Care Account (PCA) fully funded by the NALC Health Benefit Plan.

Both plans have the same deductible amount of \$2,000 per person/\$4,000 per family (In-Network) and \$4,000 per person/\$8,000 per family (Out-of-Network), both plans cover preventive care at 100% and both plans access the same broad network of doctors and facilities. Plus, both offer low generic prescription drug copayments through CVS Caremark retail and mail order as well as no-cost tobacco cessation and contraceptive medications.

We will put \$1,200 into a PCA for anyone enrolling in the CDHP Self Only coverage and \$2,400 into a PCA for anyone enrolling in CDHP Self and Family coverage. The Value Option Plan gives you \$100 in your PCA for Self Only coverage and \$200 for Self and Family. All eligible health care expenses are paid first from your PCA. Once funds in the PCA have been used, you are responsible for meeting the remainder of the deductible.

Since the Plan pays 100% of the cost of In-Network preventive care, no funds are deducted from your PCA. And, if you are fortunate enough to not need much medical care in the current Plan year, your PCA funds can be rolled over to subsequent years, up to a maximum of \$5,000 allowed in your PCA per Self Only and \$10,000 allowed in your PCA per Self and Family policy, as long as you remain enrolled in the CDHP and Value Option Plan.

The Plan provides you with the resources to manage your PCA. You can track your PCA with monthly statements delivered directly to you at home, online, or by telephone.

Once the deductible has been met, we will generally pay 80% of the cost for In-Network care and 50% of the Plan allowance for Out-of-Network care.

The choice is yours. Enroll in the NALC Health Benefit Plan CDHP and Value Option Plan this Open Season and get flexibility in your health care decisions along with more control over costs. I invite you to take a look at our 2014 NALC Health Benefit Plan brochure (RI 71-009) which details the CDHP and Value Option Plan benefits available to you and to call Cigna HealthCare at 1-855-511-1893 if you have any questions.

Sincerely,

Brian Hellman
Director

What is a Consumer Driven Plan?

A Consumer Driven plan is a defined amount of health care dollars—fixed by the Plan that the Plan contributes to a savings account for the enrollee. It provides coverage for medical/pharmacy expenses, with in-network preventive care services covered at 100%, with:

- A **Personal Care Account (PCA)** funded by NALC to pay for eligible health care expenses.
- The **Deductible** is a sharing of the PCA and your portion. The deductible must be met before NALC starts sharing costs. Once the deductible is met, you and NALC will share the cost of the eligible expense.

The NALC Health Benefit Plan is offering two options: Consumer Driven Health Plan (CDHP) and Value Option. Depending on the plan option chosen, each year the Plan will add a certain amount to your Personal Care Account (PCA):

Option 1 – Consumer Driven Health Plan

\$1,200.00 per year for Self Only
\$2,400.00 per year for Self and Family

Option 2 – Value Option Plan

\$100.00 per year for Self Only
\$200.00 per year for Self and Family

Note: PCA Rollover Maximum - the money in the account rolls over each year if you do not spend it, up to a maximum of \$5,000 Self and \$10,000 Self and Family. You must use any available PCA benefits, including any amounts rolled over from previous years, and satisfy any remaining deductible before Traditional Health Coverage begins.

Open Access Plus (OAP)

By choosing In-Network providers you receive the best benefit, maximize your Personal Care Account (PCA) dollars and lower your out-of-pocket costs. The Cigna HealthCare Shared Administration OAP network has 17,359 participating facilities, 2,008,665 family doctors and specialists, 7,667 general acute care hospitals and 145 transplant facilities. This network is accredited by the National Committee of Quality Assurance (NCQA) assuring you a choice of quality health care providers who meet Cigna's rigorous credentialing standards.

When using a family doctor your course of treatment is coordinated by one physician or a group of physicians who have access to all of your information including allergies, medications and results of all laboratory testing and x-rays. Your family doctor acts on your behalf to coordinate your ongoing care, educate you on safe health behaviors, treatment options and if necessary, refer you to specialists for further evaluation. Selection of a family doctor is not required, but does offer benefits to you and your family. If you're looking for a Family Practice, General Practice, Internal Medicine, Obstetrics (No GYN), Obstetrics/Gynecology or Pediatrics start your search with Family Doctor/Primary Care Physician selected. Some of these types of physicians have chosen to have this designation. If you don't see your provider for one of the above types of services on the results page or if you're looking for a different type of doctor, then select Specialist and search by provider name.

If you need a specialist, look in the OAP directory for the Cigna Care Network symbol . This symbol designates that these physicians have been recognized by Cigna for the quality of care and service they provide to patients and their families. Specialties represented in the Cigna Care network include cardiology, obstetrics and gynecology, and general surgery. By using an OAP specialist you are receiving the highest quality care for you and your family.

Covered Preventive care, as outlined in the Plan's brochure, is paid at 100% when you use an In-Network provider. Other services such as office visits, outpatient laboratory and radiology and in-patient confinements are paid at 80% of the Plan allowance after your deductible is satisfied when rendered by In-Network providers*.

**For more information please
call 1-855-811-1893 or go to
www.mycigna.com.**

**Note: Your PCA must be used first and your deductible exhausted before traditional benefits will apply. Your deductible applies to all benefits listed above.*

Mental Health

Balancing physical health and mental health are an important part to well being

Mental health can greatly affect physical health. Stress, depression, and anxiety can contribute to many physical ailments including sleep disturbances and lack of energy. Sometimes treating emotional and mental health issues can be a challenge but with assistance available 24 hours-a-day, 7 days-a-week the Plan is there to help provide confidential support any time you need it from handling routine questions to crisis situations. Cigna HealthCare Shared Administration OAP network for the NALC CDHP and Value Option Plan has over 121,000 in-network clinicians, 3,480 in-network facilities and over 6,500 in-network clinics that provide quality services.

Taking advantage of these services can help you deal with the stressful and challenging situations of everyday life and assist you in managing a wide range of mental health and substance abuse conditions such as:

- Abuse
- Alcohol and drug addiction
- Alzheimer's & Dementia
- Anxiety
- Bipolar Disorder
- Depression
- Eating Disorders
- Post-Traumatic Stress Disorder
- Schizophrenia
- Stress

By choosing an in-network provider when utilizing these mental health and substance abuse services, you will receive the best benefit. However, there are also out-of-network benefits available.

	Treatment Facility	Inpatient Hospital	Outpatient Professional Services
In-Network (You Pay deductible)	20% of the Plan allowance*	20% of the Plan allowance*	20% of the Plan allowance
Out-of-Network (You Pay deductible)	50% of the Plan allowance (and the difference between our allowance and the billed amount)*	50% of the Plan allowance (and the difference between our allowance and the billed amount)*	50% of the Plan allowance (and the difference between our allowance and the billed amount)*

Life is change. By accessing mycigna.com, there are online tools that make it easy for members who want to help themselves. Members can easily access treatment resources, interactive self-assessment tools, and educational materials. The mycigna.com web site provides convenient, confidential, and open access to information you need when you need it. An online search tool is also available to help you find an in-network clinician. By calling **1-855-511-1893**, a specialist will help you identify the nature of your problem and match you with an in-network provider who has the appropriate experience to help with your specific needs.

**Note: Your PCA must be used first and your deductible satisfied before traditional benefits will apply. Your deductible applies to all benefits listed above.*

Prescription Drug Information

All prescription drugs are classified into one of four categories, or tiers, based on quality, safety, clinical effectiveness and cost. Your cost-share is determined based on the tier level of your drug.

Our prescription drug tiers are defined as:

Tier 1 – generic drugs

Tier 2 – formulary brand drugs – brand drugs that appear on the Plan's formulary

Tier 3 – non-formulary brand drugs – brand drugs that do not appear on the Plan's formulary

Tier 4 – specialty drugs – prior authorization is required for all specialty medications. These include biotech, biopharmaceutical, and oral chemotherapy drugs. Contact Caremark Specialty Pharmacy Services at 1-800-237-2767.

We use an open and voluntary formulary which contains a partial listing of commonly prescribed generic and brand name medications. To find out if your brand name drug is listed, or to obtain a copy of the NALC Health Benefit Plan Formulary Drug List, call CVS Caremark at 1-800-933-NALC (6252).

Dispensing Limitations

There are dispensing limitations for prescriptions purchased locally at one of more than 67,000 participating NALC Preferred and NALC CareSelect pharmacies. You may obtain up to a 30-day supply plus one refill of medication before having your maintenance medications filled through our mail order program or at a CVS Caremark Pharmacy or Longs Drugs through our Maintenance Choice Program. We waive the one 30-day fill and one refill limitation at retail for patients confined to a nursing home, patients who are in the process of having their medication(s) regulated, or when state law prohibits the medication from being dispensed in a quantity greater than 30 days. Call the Plan at 1-888-636-NALC (6252) to have additional refills at a network authorized.

Lower Cost Generics

Reduce your out-of-pocket costs and ask your medical professional to prescribe generic drugs. Although the cost difference can be dramatic, generic drugs are pharmacologically identical to their brand name versions. The FDA requires that generic drugs be as safe and effective as brand name drugs. Call CVS Caremark Customer Care at 1-800-933-NALC (6252) to see if your brand name prescription is available as a generic.

How to Join the Plan

Anyone eligible for FEHB benefits may enroll in one of many of the participating health plans, change their current health plan, or cancel their enrollment in a FEHB plan during the annual Open Season. This includes active and retired postal and federal employees, annuitants, survivor annuitants, Indian tribes, tribal organizations, and urban Indian organizations. Certain Qualifying Life Events (QLE) also allow anyone eligible to make changes to their FEHB enrollment outside of Open Season.

Current Active Letter Carriers have 4 ways to enroll in the NALC Health Benefit Plan

- Use your home computer, tablet, or smartphone to go to <https://liteblue.usps.gov>. You must have employee ID number (it's the 8-digit number printed on your earnings statement just above the words "employee ID.") You will also need your USPS PIN number (It's the same one you use to access **PostalEASE**.)
- The **Blue Page** (Intranet) at work
- Employee Self-Service Kiosks located at some USPS facilities
- **PostalEASE** by telephone – Call 1-877-4PS-EASE (1-877-477-3273) and enter Option 1

Instructions:

When enrolling by internet, intranet, or Employee Self-Service Kiosk, simply follow the instructions on the screen. If you prefer to enroll or make changes by phone, call **PostalEASE** toll-free at 1-877-4PS-EASE (1-877-477-3273) and choose option 1. TTY users can call 1-866-260-7507.

- Have your **PostalEASE** worksheet completed before you call.
- When prompted, select Federal Employees Health Benefits.
- Follow the prompts to enter your Employee ID, USPS Personal Identification Number (PIN), and the information you entered on your worksheet. This information will be required:
- Daytime telephone number
- The name of the health plan in which you want to enroll:
 - NALC Consumer Driven Health Plan**
 - NALC Value Option Health Plan**
- Health plan code number:
 - 324 – Self Only NALC Consumer Driven Health Plan**
 - 325 – Self and Family NALC Consumer Driven Health Plan**
 - KM1 – Self Only NALC Value Option Health Plan**
 - KM2 – Self and Family NALC Value Option Health Plan**
- Names, addresses, dates of birth, and Social Security numbers for all eligible family members covered under your enrollment
- Name, policy number, and effective date on any other group health insurance in which you or eligible family members are enrolled; including Medicare and Tricare.
- If you are changing plans or canceling coverage, enter the code of your current health plan.
- After completing your entries, it is always a good idea to write down and save the confirmation number you receive for **PostalEASE**, the date your enrollment will be processed, and the date your paycheck will reflect the enrollment.

Keep this information for your records

- Interactive tools and resources
- Weekly educational emails with key learning themes and tips
- A 12-week self-paced program
- Healthy rewards® discounts*
- Secure, convenient support

*Some Healthy Rewards® Programs are not available in all states. A discount program is NOT insurance, and the member must pay the entire discounted charge.

Gaps in Care

This program integrates medical, pharmacy, and laboratory data to identify and address any potential gaps in a member's health care. These gaps occur when individuals don't receive or adhere to care that is consistent with medically proven guidelines for prevention or treatment of a specific disease. Here's how this voluntary program works:

1. Your health care claims are reviewed and steps are identified that you might take to improve your health.
2. A personal profile is developed for you. You will receive information that includes:
 - A summary of health conditions which may be of interest to you
 - Educational information that may help you improve your health
 - References to the medical guidelines we use in our reviews
 - Helpful tips for better managing your care
 - Suggested topics to talk about with your doctor
3. You are encouraged to share this information with your doctor so you can work together on an action plan and long-term health goals. It is not meant to take the place of your doctor's professional judgment.

Programs and Tools

Healthy Rewards®

The Healthy Rewards® program is available to all members. It offers discounts on services not usually covered by the Plan and promotes wellness, good health, and healthy lifestyle products. Some of the discounts offered are:

- Fitness club memberships
- Jenny Craig weight loss program
- Laser vision correction, eye examinations, eyewear and contacts

You can access the Healthy Rewards® program by calling 1-855-511-1893 or visit mycigna.com

Care Support

This 24 hour nurse advisory service is a voluntary and confidential service. You can talk with registered nurses to discuss existing medical concerns and receive information about your particular medical condition. It also includes health coaching with a registered nurse if you want to discuss significant medical decisions. It also provides:

- Assistance to determine the appropriate level of healthcare services required to address an emergency situation.
- Location of the nearest In-Network provider or facility to treat your illness/injury.
- Tips for home health care of minor illnesses/injuries.
- Education and support regarding your health and healthcare services.

You can call 1-855-511-1893 to take advantage of this service designed to keep you on the road to a healthy lifestyle.

Health Risk Assessment

The Health Risk Assessment is a valuable tool for you. Go to mycigna.com. Here's where you find out if you are really as healthy as you think. The Health Risk Assessment is an online tool that analyzes your responses to health-related questions and gives you a personalized plan to achieve your specific health goals. The online profile provides you with the information you need to help put you on a path to good physical and mental health.

Here's another reason to complete the Health Risk Assessment. When you complete the Health Risk Assessment, you are automatically enrolled in the CignaPlusSM Savings discount dental program. The CignaPlusSM Savings is a discount dental program that provides members access to discounted fees with participating dental providers. If you have Self Only coverage with our Plan, when you complete the HRA, we will enroll you in the CignaPlusSM Savings discount dental program and pay the Self only CignaPlus SavingsSM discount dental premium for the remainder of the calendar year in which you completed the HRA provided you remain enrolled in our Plan. If you have Self and Family coverage with our Plan, when at least two family members complete the HRA, we will enroll you and your covered family members in the CignaPlus SavingsSM discount dental program and pay the family CignaPlusSM Savings discount dental premium for the remainder of the calendar year in which both HRAs were completed provided you remain enrolled in our Plan.

The CignaPlusSM Savings Program is a dental discount program that provides NALC Health Benefit Plan members and their dependents discounted fees on dental services and gives you access to over 83,978 unique dental providers with 162,264 access points and a national average savings of 35% off average charges. The Self Only enrollment monthly premium is \$3.75 and \$5.50 monthly for a Self and Family enrollment. There are no deductibles, age limits or waiting periods, making access to the discounts hassle free.

Programs and Tools

There are no claim forms to complete since you pay the participating provider at the time services are rendered. To find out more about the program, or to enroll, call 1-877-521-0244. This program is not part of the Plan's FEHB benefits and is not insurance.

Cost Estimation Tool

Joining a consumer driven health plan means you have more control over your health care spend. Being a smart health care "shopper" will help maximize the benefits of the plan. We make it easy by providing cost estimation tools at myCigna.com. After choosing a provider, you can view a list of procedures performed by that physician and the cost for each service. If you do not have a physician in mind, you can search by procedure. Once you choose the procedure, from major surgeries to lab tests, you will be given a list of doctors in your area who can perform the service and the estimated cost. The tool includes the estimated cost for hospital, urgent care, and emergency room care in addition to physicians cost.

myCigna.com

Now that you have made the decision to take charge of your health and wellness, you need the right tools to do it. Start with the myCigna.com website. When you login, right from the welcome page you have access to a number of helpful locations: 24-hour health information, wellness resources, forms, stay healthy tips, and much more; and it is easy to register and use. Once you have registered, you will have access to a secure site on which you can view your own personal health information such as your Personal Care Account (PCA) and your complete claims history. You can also find doctors and medical services, see cost estimates for medical procedures, compare quality of care ratings for doctors and hospitals, and complete a Health Risk Assessment.

myCigna Mobile App

In the fast-paced technology driven world we live in today, it is more important than ever to have the information you need accessible when you need it. myCigna Mobile App makes that possible. Download the mobile application to any web enabled device and you will have access to all the tools and resources from myCigna.com. You can instantly access and view your health fund balances and see how much of your deductible has been met. Or, access and review current and past claims. You can locate a doctor, then have a map and directions sent right to your smartphone or android.

The mobile app allows you to personalize, organize and store your health information, including contact information for your doctors and hospital, in one place.

myCVS™ On the Go

Medicare

Your NALC Health Benefit Plan family continues to be with you even when you are eligible and enroll in the federal Medicare program. You will continue to have the same great prescription drug coverage without any interruption. If you are approaching age 65 or are age 65 and retired, you need to understand the importance of having total medical and prescription drug coverage. You may be in good health today, but that could change unexpectedly.

Medicare Part A (Hospital Insurance) is generally cost-free. For those who do not meet the work credit requirements, you may be able to buy Part A (and Part B) by paying a monthly premium. Part A benefits help to pay for inpatient hospital care, inpatient skilled nursing facility care, home health and hospice care. There are deductibles and coinsurance which apply to these expenses that are your responsibility. Once Medicare Part A considers your claim, that information is securely transmitted to us. The NALC Health Benefit CDHP and Value Option Plans will then consider the Medicare approved amount limiting the benefits payable to the total maximum benefit we would pay if we paid first. In short, we will subtract the Medicare payment from our original liability. If our liability is less than Medicare's payment, we will pay nothing.

Medicare Part B (Medical Insurance) Once you approach age 65, you will receive notice from the Centers for Medicare and Medicaid Services (CMS) that you are eligible to enroll in Medicare Part B. If you are receiving Social Security benefits, once you enroll, the premium is deducted from your monthly Social Security benefits. Medicare Part B benefits help you pay for doctor charges, diagnostic services, ambulance charges, surgeries, medical equipment and supplies, and covered services not covered or payable under Medicare Part A. When you are enrolled in the NALC Health Benefit Plan and Medicare Part B, your Medicare Part B plan will pay benefits as the primary payor (pays first). Your Medicare Part B claims are transmitted electronically to the NALC Health Benefit Plan where we will then consider the Medicare approved amount limiting the benefits payable to the total maximum benefit we would pay if we paid first. In short, we will subtract the Medicare payment from our original liability. If our liability is less than Medicare's payment, we will pay nothing.

Medicare Part C (Medicare Advantage Plans) are Medicare health plan options that are part of the Medicare program. If you decide to join one of the many Medicare Advantage plans, you generally must receive all of your Medicare covered health care through that Plan. Medicare Advantage plans can also include prescription drug coverage. Included in the Medicare Advantage plans are Health Maintenance Organizations (HMO), Preferred Provider Organizations (PPO), private fee-for-service plans, and Medicare Special Needs plans. In some cases, there are extra benefits and lower copayments than in the original Medicare plan. However, you may be required to receive treatments or referrals only from providers that belong to that Medicare Advantage Plan in order to receive benefits.

Medicare Part D (Prescription Drug Plan) If you are enrolled in Medicare, you are eligible to enroll in a Medicare Prescription Drug Plan. There are many plans from which to choose, and each has an additional premium. When you are enrolled in a Medicare Part D Plan and Medicare Part D pays first, the NALC Health Benefit Plan will waive your retail fill limit and retail day's supply limitations. We will coordinate benefits as the secondary payor where we will then consider the Medicare approved amount limiting the benefits payable to the total maximum benefit we would pay if we paid first. In short, we will subtract the Medicare payment from our original liability. If our liability is less than Medicare's payment, we will pay nothing.

Coordination of Benefits with Medicare

How we determine Plan payment when Medicare Part B and CDHP/Value Option Plans' deductibles are not met.

Total charge	\$1,350.00
Medicare's allowable expense	\$800.00
Medicare Part B Deductible	\$147.00
Medicare's total payment	\$522.40 (Medicare's allowable amount of \$1,000.00 minus Medicare deductible of \$147 payable at 80%)
Balance due after Medicare's payment	\$130.60 (Medicare allowable of \$1,000.00 minus Medicare deductible minus Medicare payment of \$522.40)
CDHP/Value Option Plan's Allowable expense	\$800.00 (determined by Medicare allowable amount)
CDHP/Value Option Plan's original liability (CDHP/Value Option Plans determine what would be paid in absence of a primary payor)	\$0.00 (CDHP/Value Option Plans' allowable charge of \$800.00 minus the Plan deductible \$800.00) <i>Note: PCA is exhausted.</i>
CDHP/Value Option Plans' total payment	\$0.00 (To determine CDHP/Value Option Plans' payment, we subtract Medicare's payment from CDHP/Value Option Plans' original liability. In this case, since CDHP/Value Option Plans' original liability is less than Medicare's payment, CDHP/Value Option plans pay \$0.00)
Patient Responsibility (out-of-pocket)	\$130.60 (Medicare's allowable amount of \$800.00 minus the Medicare and CDHP/Value Option Plans' combined payment)

How we determine Plan Payment when Medicare is the primary payor and the CDHP/Value Option Plans' deductible is met.
