Drugs Only Available Through CVS Specialty®

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

The **Drug List** below is a guide of medications available only through CVS Specialty. For the drugs on this list, prior authorization is not required, and generic/brand copays apply. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. CVS Specialty has a network of pharmacies that includes those with The Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally recognized symbols of quality that reflect an organization's commitment to meet high standards of quality and safety. This list represents brand products in CAPS and generic products in lowercase *italics*.

Please refer to the NALC Specialty Pharmacy Drug List for a complete list of medications available through the CVS Specialty.

Please note: If you are a plan member or a health care provider, please visit **CVSSpecialty.com**, fax to **1-800-323-2445** or call **1-800-237-2767** for specific information regarding medications available through CVS Specialty. e-Prescribe specialty prescription(s) to CVS Specialty Pharmacy.
